Acquiring Points

- Points are awarded each time a competitor competes.
- 10 points for a win or 1st place, 5 points for 2nd place .
- 3 points are awarded for an entry into each category.
- Points from each competitor are added together for a team total.
- The total points are divided by the number of competitors in the team.
- The divided points is the score for the team.
- All competitors must be registered to the team before the event begins.
- Officials award 1st and 2nd place points when the final bout takes place.
- Points are shown on a competitors score card and signed off.
